

## EMMANUEL WORSHIP TEAM

Thank you for expressing your interest in joining the team. As a team we have been very blessed over the years with so many gifted and talented people who love Jesus and who carry the heart of worship in such a beautiful and sensitive way.

We are always excited and on the look for new people who feel they may be called to lead within this area of ministry.

We feel we have grown significantly over the last number of years, both individually and collectively as a team and we are continuing to press in to how we feel Holy Spirit is leading and guiding us on the journey through doing life together, song writing and of course, having fun!!

In this form we have set out some of the aims, expectations and provided information we feel is important for you to prayerfully consider before submitting your application. Please feel free to speak with us if you do have any questions at all.

## WORSHIP TEAM AIMS

“God is spirit, and his worshippers must worship in the Spirit and in truth”

**John 4:24**

**We desire to see God’s Kingdom come in the Church, this Land and the Nations. Are aims are:**

- To worship God with our every breath, declaring His name in spirit and in truth through God centered songs which glorify Christ and to minister His love and truth to those who have not accepted Jesus.  
(Let everything that has breath praise the Lord. Praise the Lord - **Psalm 150:6**)
- To create an atmosphere of worship that inspires the congregation to freely and truthfully worship God during church services, at home and in their everyday life through a lifestyle of worship.  
(Praise the Lord oh my soul, all my inmost being, praise his Holy name - **Psalm 103:1**)
- To welcome the presence of the Father, Son and Holy Spirit through song and to always point people to Jesus as Lord. (God inhabits the praises of Israel - **Psalm 22:3**)

- To have freedom, faith and belief for miracles to happen each time we worship. (where the Spirit of the Lord is there is freedom - **2 Corinthians 3:17**)
- To allow a safe space for people to encounter God, drawing them to receive Salvation and inspiring a sincere hunger & desire to grow deeper in love with the Father. (I will praise you, Lord, among the nations. I will sing of you among the peoples - **Psalms 108:3**)

### **Serving in Emmanuel - Team Expectations**

At Emmanuel, we are so thankful for anyone who desires to serve alongside others from the body, as we try to reach the lost for Jesus and offer a variety of ministries to meet the diverse range of needs within our church family and local community. By signing up to serve within the church family, we are expecting each person to conduct themselves in the following way:

1. To have a personal relationship with Jesus, recognising that all that we do for Him flows out of our encounters with Him.
2. To commit to the wider life of the church by regularly attending 1 Sunday service, attending corporate prayer and engaging in lifegroup/small group accountability settings.
3. To live a life which honours Jesus and suitably represents Him and our church.
4. To love and honour the people which you serve and lead each week.
5. To live a self-controlled life, particularly with regards to alcohol, illegal substances and sexual immorality.
6. To ensure that all usage of social media or online forums is responsible and Christ like.
7. To refrain from any sectarian or racist behaviour or dialogue.
8. To follow the policies and procedures given by each individual ministry.
9. To attend any training or whole team meetings organised within each area of ministry.
10. To follow the church calendar of team responsibilities and to take personal responsibility to turn up each time that you are scheduled to serve.
11. If you are not available to serve on a week which you are scheduled to be on, to personally take responsibility to get someone to cover your duties, or to swap with someone from another team.

As set out in Believing and Belonging, the elders may prayerfully consider asking an individual to step aside from serving in Emmanuel Church, if they feel that they are deliberately choosing to disregard these guidelines in anyway.
